ENR Management Proposal for Opening a Limited Resident Harvest of Bull Caribou from Management Zone U/BC/01 in the Northwest Territories

On May 24, 2013, the Department of Environment and Natural Resources (ENR), Government of the Northwest Territories, submitted a proposal to the Wek'èezhì Renewable Resources Board (WRRB) for allowing resident hunters access to a one-bull only harvest from the Beverly / Ahiak / Qamanirjuaq Caribou herds in Zone U/BC/01.

The WRRB will review the management proposal during its next board meeting scheduled for September 10-12, 2013 and make a recommendation on whether this proposed management action should be implemented.

Anyone interested in providing comment on this application can do so by letter through email attachment or fax by August 30, 2013. This proposal can be viewed on the Public Registry at wrrb.ca.
