RE: Tłıchǫ Government Undertaking #4

Dear Mr. Judas:

Tłıchǫ Government would like to provide the following information in relation to its current harvest data for the Bluenose East. We would like to explain certain terms that are in the tables below:

When Authorization Cards are provided to Tłıchǫ Government from ENR, these Authorization Cards are provided “in bulk” to Tłıchǫ Government. Then these Authorization Cards are allocated to each Tłıchǫ community and they are put in the hands of Community Directors, who are Tłıchǫ Government employees (“Authorized Cards Allocated”).

The Authorization Cards are then distributed among Tłıchǫ harvesters. (Authorization Cards Distributed).

The “Total Used” was determined by compiling information from the Community Directors.

We note that for 2018-19, the harvest season is not yet completed, so Tłıchǫ Government cannot inform on any “Total Used”.

Harvest Season 2018-2019 – Valid as of April 26, 2019

Community	Authorization Cards Allocated	Authorization Cards Distributed
Behchokǫ	143	142
Whatì	59	39

Harvest Season 2017-2018
