Hamilton, MT 59840

January 19, 2010

Dear Grant,

Given the volume of late information produced by ENR, and the fact that ENR has still not produced all the requested documents, I support both Karen McMaster and the Yellowknife Chamber of Commerce requests to delay the hearing. This would also allow additional stakeholders to intervene, which is in the public's interest.

Thank you,

Sincerely,

John Andre
