I acknowledge receipt of your decision. We will post this email on the public registry.

The Association may submit a written submission according to the Proceeding timelines and it may also decide to have someone talk at the hearing at a time set aside for the public or other non intervenors.

Dear Sir;

It is with great regret that I must inform you that based on the boards decision that any individual cannot appear twice before your board on the upcoming hearing to decide the fate of Caribou Outfitting in the NWT (almost other things) I hereby am forced to withdraw the application to do a live presentation under the intervener status submitted by the Barrenground Caribou Outfitters Association.

We will however if permitted still be submitting a written presentation.

Please confirm that is allowed.

Sincerely,

Boyd Warner
President
Barrenground Caribou Outfitters Association
