

The Wek'èezhìi Renewable Resources Board wishes to advise you of the following. With the implementation of ENR's Emergency Interim Measures and in the interest of maintaining a fair, open and transparent process for all parties, the Board has decided to postpone the public hearing in Behchoko until March 22-26 and extend the hearing from three to five days.

For more information, please contact Jody Snortland, Executive Director of the Wek'èezhìi Renewable Resources Board, at 867-873-5740.
