Dear Mr. Lewis,

RE: Acceptance of listed wastes from Awry Lake and Francois Lake Forestry Camp at the City of Yellowknife Solid Waste Facility.

I am pleased to inform you that the City of Yellowknife has approved the request for the use of the City of Yellowknife Landfill (Solid Waste Facility) for wastes listed in each of the Waste Management Plans for the Awry Lake and Francois Lake Forestry Camp.

The City of Yellowknife Solid Waste Facility is regulated by the Mackenzie Valley Land and Water Board (MVLWB) water licensee MV2009L3-0007. If waste generated by the project interferes with the regulations set out in this water license, the City reserves the right to abolish the agreement with ENR at any time.

Please feel free to contact the Solid Waste Facility if you have any further questions or concerns.

Sincerely,

Chris Vaughn

Manager, Sustainability and Solid Waste

City of Yellowknife
