Mr. Grant Pryznyk
Interim Chair
Wck'eezhii Renewable Resources Board
102A, 4504 - 49th Avenue
Yellowknife, NT X1A 1A7

Dear Mr. Pryznyk:

It has come to our attention that a joint proposal on Caribou Management Action in relation to Wck'eezhii has been submitted by the Tli Cho Government and the department of Environment and Natural Resources (ENR). This is consistent with chapter 12.5.1 of the Tli Cho Agreement. We understand further that this has not been an agreement reached on harvesting for aboriginal hunters within the proposal. Your quick action on this is greatly appreciated. Thank you for your cooperation.

Sincerely,

Bill Erasmus
