**Environment and Natural Resources
Joint Proposal Public Hearing Presentation**

As requested in the Wek'eezhii Renewable Resources Board (WRRB) revised process timelines dated February 11, 2010, please find attached the Department of Environment and Natural Resources (ENR) Presentation for the public hearing.

Included in this presentation are the results of additional modeling. This modeling is not based on new data, but builds on previously provided modeling. As such please find attached the following report outlining this additional modeling:

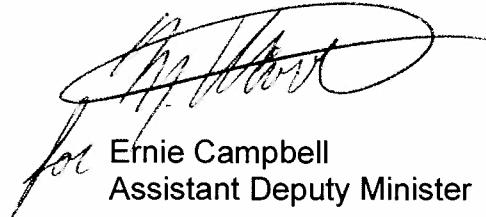

- Bathurst Recovery/Harvest Modeling Report

This modeling work is on-going and ENR is prepared to provide updated material to the WRRB as requested.

As requested, digital versions of these documents will be submitted via email.

If you have any additional questions regarding this information please contact Mr. Jason McNeill, Senior Policy Advisor, Aboriginal Relations at (867) 920-3298.

Sincerely,

for Ernie Campbell
Assistant Deputy Minister
