

# Wek'èezhìi Renewable Resources Board

## NOTICE OF PUBLIC HEARING

The Wek'èezhìi Renewable Resources Board (WRRB) wishes to advise that its public hearing related to the Bathurst Caribou Joint Management Proposal is scheduled for **March 22-26, 2010** in **Behchokò, NT** at the **Behchokò Cultural Centre**. The Hearing will focus on harvesting management actions identified in the proposal, such as restrictions on harvest.

The Hearing will begin Monday, March 22<sup>nd</sup> at 10:00 a.m. and go to 6:00 p.m. The remaining days, March 23-26, will begin daily at 9:00 a.m. and go to 5:00 p.m. Evening sessions on Tuesday, March 23<sup>rd</sup> and Thursday, March 25<sup>th</sup> from 7:00 to 9:00 p.m. will be for Tlicho Citizens and the general public to provide input. A complete draft schedule can be found on the WRRB's public registry.

Following the public hearing, the WRRB will review all information received during its Proceeding and make recommendations to the GNWT and Tlicho Government related to the entire Joint Management Proposal, by no later than May 31, 2010.

If you would like more information about the public hearing, please contact our Executive Director, Jody Snortland, at (867) 873-5740 or visit our public registry on the WRRB website: [www.wrrb.ca](http://www.wrrb.ca).
