Dear Mr. J. Grant Pryznyk

**RE: Proceeding Schedule**

Thank you for your interest in hearing suggestions from all Parties about how the Board should move forward through its next and final phase. Considering the extensive and revised proposal that has been submitted by the Tlicho Government (TG) and the Government of the Northwest Territories (GNWT), I would appreciate that the Board consider the following:

- Provide a schedule that allows interveners time to submit revised responses if necessary.
- Provide a schedule that allows interveners to provide oral and/or written responses to the proposal.
- Ensure that the GNWT is accountable for their proposal recommendations
- Ensure that the GNWT provides intervener funding.
- Allow further procedural suggestions from interveners throughout the process

Sincerely,

Amanda Peterson
