

NOTICE OF PROCEEDING AND PUBLIC HEARING – BLUENOSE-EAST CARIBOU HERD

On January 14, 2019, the Tłıchǫ Government (TG) and Department of Environment & Natural Resources (ENR), Government of Northwest Territories submitted the “*Joint Proposal on Management Actions for the Bluenose-East ǂekwǂ (Barren-ground caribou) Herd 2019-2021*” to the Wek'èezhì Renewable Resources Board (WRRB) outlining proposed management actions for the Bluenose-East caribou herd in Wek'èezhì.

The WRRB considers any restriction of harvest or component of harvest as the establishment of a Total Allowable Harvest and in such cases is required to hold a public hearing. The WRRB has determined that the proposed management actions are such that the Board must undertake a Level 3 review, as per its Rule for Management Proposals. Therefore, the Board has established a proceeding, an online public registry and must hold a public hearing.

If you are interested in intervening in the Proceeding, please go to the WRRB website: www.wrrb.ca to register or notify the WRRB in writing via email (info@wrrb.ca). The closing date and time to apply for Intervenor Status is by no later than 4:00 p.m. MDT on February 15, 2019.
