**Re: NSMA Information Requests to GNT and Tlicho Governments (your letter of November 23, 2009)**

Dear Madame:

The Wek'èezhì Renewable Resources Board (WRRB or "the Board") received your information request letter after the deadline for submissions. It reviewed the questions at its December 10-11, 2009 meeting.

Because the letter was forwarded to the Board from another source after the deadline, the Board has approved forwarding the questions identified for GNWT and Tlicho Government to those agencies as they are the proponents of the Joint Proposal. Since the questions were received late, the Board cannot guarantee receipt of responses by the required deadline.

Please check our website at [www.wrrb.ca](http://www.wrrb.ca) and go to the Public Registry for various dates and documents that apply to the Proceeding. It is the responsibility of intervenors to ensure they comply with the Rules set by the Board for the Proceeding.

If you have any questions with respect to the above, please do not hesitate to call our office at 873-5740.

Sincerely,
