

NOTICE OF REVISED PROCEEDING SCHEDULE – SAHTÌ EKWÒ MANAGEMENT

On August 1, 2024, Environment & Climate Change (ECC), Government of the Northwest Territories (GNWT) and Tłıchq̓ Government (TG) submitted a joint management proposal, entitled “*Joint Proposal on Management Actions for the Bluenose-East Barren-ground caribou (Sahtì ekwò) Herd 2024-2026*” (“the Proposal”) to the WRRB, outlining proposed management actions for Sahtì Ekwò in Wek'èezhì. The Board opened the 2024 Sahtì Ekwò Management Proceeding on August 19, 2024. Public participation in this WRRB proceeding is encouraged in accordance with the Board's Rules.

Following receipt of TG and GNWT's September 17, 2024 correspondence, which requests a two-week deadline extension to respond to information requests, the WRRB has decided to revise its proceeding schedule by requesting that TG and GNWT submit their response to the information request by no later than 5:00 p.m. MDT on October 7, 2024.

The following schedule has been revised as follows for the proceeding:

Public Written Submissions	August 19 to September 20, 2024
Issuance of Information Requests	September 9, 2024
Submission of Responses	October 7, 2024
Close Record	October 9, 2024
Submission of Final Written Arguments	
- Participants	October 16 2024
- ECC & TG	October 18, 2024
WRRB Decision	January 15, 2025

Anyone interested in providing comment on the Sahtì Ekwò joint management proposal may do so in writing through email, phone, or fax by September 20, 2024.
