Good Afternoon Karen, Martin and Amanda,

The Wek'eezhii Renewable Resources Board (WRRB) is in receipt of the letter, dated 10 May 2010, forwarded to you by the Minister of ENR re: Request for Financial Assistance – WRRB Intervention (attached). Notwithstanding this letter, the WRRB would like to further clarify that we are not in the position to provide intervenor funding for the Bathurst Caribou Joint Management Proposal proceeding. This correspondence will be posted to the WRRB's public registry.

Thank you,
JODY

Mr. Knutson, Ms. Peterson, Ms. McMaster:

Request for Financial Assistance - WRRB Intervention

Thank you for your letters of April 19, 2010 and April 21, 2010 respectively requesting financial assistance for intervener status at the recently held Wek'èezhii Renewable Resources Board (WRRB) hearings. Unfortunately the Department of Environment and Natural Resources (ENR) does not have the mandate to offer such assistance to participate in a public hearing set by an Independent Board and will therefore have to decline your request.

As a duly appointed board under the Tł'chö Agreement, the WRRB receives funding for public hearings / meetings / consultations (s. 12.3.3 of Tł'chö Agreement and page 172 of the Tł'chö Implementation Plan). I would suggest you forward your request to the WRRB directly. The contact information for the WRRB is as follows:

Sincerely,

A handwritten signature in black ink that reads "J. Michael Miltenberger".
