Dear Mr. Mandeville:

As per your conversation with Alice Legat, the Board appreciates your interest in the Proceeding on the Bathurst Caribou Joint Management Proposal submitted by the Tł'chǫ Government and GNWT. We look forward to receiving relevant information from the *Chiefs' Workshops on Caribou* for our public registry. You mentioned you would be sending such information as:

- Motions from the Chiefs' meeting; and
- Summaries of important discussions.

The Board would prefer actual transcripts of the workshops as they could clarify questions arising from the summaries. If available, a list of attending chiefs and dates and locations of these caribou workshops would be useful.

Thanks again for your interest in these proceedings.

Sincerely,

A handwritten signature in blue ink that reads "Grant Pryznyk".
