**Re: Information Request – Additional Supporting Document**

Dear Mr. Bohnet:

In March 2007, the Wek'eezhii Renewable Resources Board (WRRB) held a public hearing in Behchoko, NT. The Department of Environment and Natural Resources (ENR) gave a PowerPoint Presentation during the hearing, entitled, *“Caribou Forever – Our Heritage, Our Responsibility”*. An intervenor for the current public hearing has requested that this presentation be posted to our public registry.

Therefore, the WRRB would like to request that the ENR provide this document to the Board office on or before January 13, 2010 in digital format.

If you have any questions with respect to the above, please do not hesitate to call our office at 873-5740.

Sincerely,

A handwritten signature in blue ink that reads "Grant Pryznyk".

Grant Pryznyk  
Interim Chair
