Dear Sirs:

**Additional Information Requests - Joint Proposal on Caribou Management Actions in Wek'èezhìi**

The Wek'èezhìi Renewable Resources Board (WRRB or "the Board") has reviewed and compiled information requests related to the aforementioned management proposal from intervenors and the independent Board consultant. We ask that responses be provided from your government no later than **December 18, 2009 in digital format** as responses will be posted on our Public Registry. There are two separate information request attachments, one for Government of Northwest Territories and one for Tłı̨chǫ Government.

If you feel you have adequately answered a question in another location please provide direction for our reference as to where the response is located. If you have any questions with respect to the above, please do not hesitate to call our office at 873-5740.

Sincerely,

Original signed by  
Grant Pryznyk  
Interim Chair
