**Re: Revised Joint Proposal**

The Wek'èezhìi Renewable Resources Board (WRRB) acknowledges receipt of the *Revised Joint Proposal on Caribou Management Actions in Wek'èezhìi*, submitted by the Government of the Northwest Territories (GNWT) and Tłı̨chǫ Government (TG) on 31 May 2010. Following close review of the information, the WRRB accepts the proposal as submitted and considers it a revision of the original 5 November 2009 proposal. Therefore, the Board has established the following schedule for the Bathurst Caribou Proceeding:

WRRB Decision No later than 9 October 2010

The WRRB looks forward to finalizing work on this critical issue with GNWT and TG. If you have any questions, please contact our office at (867) 873-5740 or [jsnortland@wrrb.ca](mailto:jsnortland@wrrb.ca).
