Re: Tłıchọ Highway – Wildlife Management and Monitoring Plan, Version 6.1

Dear Mr. Rahman:

The following comments are submitted to the Department of Infrastructure (INF), Government of the Northwest Territories (GNWT) for the Tłıchọ Highway Wildlife Management and Monitoring Plan (WMMP) Version 6.1. The Wek'èezhì Renewable Resources Board (WRRB) received Version 6.1 of the WMMP as a Management Proposal under Section 12.5.1 of the Tłıchọ Agreement on April 13, 2023. Following review and discussion during their recent May 2023 meeting, the WRRB approves Version 6.1 of the Wildlife Management and Monitoring Program for the Tłıchọ Highway as submitted (Motion #862-25-05-2023).

If you have any questions regarding these comments, please feel free to contact our office.

Sincerely,
