To All Intervenors:

**Scope of the Public Hearing on the Joint Proposal for Bathurst Caribou**

The decision of the Wek'èezhìi Renewable Resources Board has been that the scope of the public hearing would be only on Joint Proposal Management Actions 1 through 5, which are those which prescribe limitations on harvest.

All other proposed actions may be addressed through written submissions to the Board in accordance with the schedule of the Proceeding.

For further information, please contact the Interim Chair at [gpryznyk@wrrb.ca](mailto:gpryznyk@wrrb.ca), or (867) 873-5740.

Sincerely,
