**Re: Joint Proposal on Caribou Management Actions– Your Intervenor Application**

Dear Sir:

The Wek'èezhì Renewable Resources Board (WRRB or “the Board”) has reviewed your Chamber’s late intervenor request and after deliberation did not to approve it.

Although you have not been granted intervenor status, your Chamber does have the option to submit a written presentation in digital format prior to the public hearing and a representative from the Chamber may speak at the hearing at a time set aside for persons who are not intervenors. If you decide to speak at the hearing, you are subject to questioning.

If you send a written submission, please send it to [gpryznyk@wrrb.ca](mailto:gpryznyk@wrrb.ca) and Board staff will ensure it is posted on the public registry for the Proceeding. Please check our website at [www.wrrb.ca](http://www.wrrb.ca) and go to the Public Registry for various dates and documents that apply to the Proceeding.

If you have any questions with respect to the above, please do not hesitate to call our office at 873-5740.

Sincerely,

Original Signed by

Grant Pryznyk  
Interim Chair
