Mr. Chris Hopkins
Executive Director
Sahtu Renewable Resources Board
P.O. Box 134
Tulita, NT X0E 0K0

Dear Mr. Hopkins:

The Board appreciates your interest in the Proceeding on the Bathurst Caribou Joint Management Proposal submitted by the Tłıchǫ Government and the Department of Environment and Natural Resources (ENR), Government of the NWT. We look forward to receiving the following:

- Communities and Caribou in the Sahtu Region: A Sahtu Regional Traditional Knowledge Research and Monitoring Workshop, 2009.
- Communities, Caribou and Ecological Change: A Sahtu Region Traditional Knowledge Research and Monitoring Program, April 2007-March 2008.
- Fort Good Hope-Déline Barren-Ground Caribou Traditional Knowledge Study, April 2006-March 2007.

The Board would prefer electronic versions of these reports as it would help us post the documents quickly. Thank you again for your interest in these proceedings.

Sincerely,

A handwritten signature in blue ink, reading "Grant Pryznyk".
