Re: PROPONENT PRESENTATIONS-JOINT OR SEPARATE

Dear Sirs:

The date of the Public Hearing is less than 2 months away and the WRRB Board staff is in the process of determining the daily schedules for the Public Hearing.

As both of your governments are signatories to and proponents of the Joint Proposal, the Board wishes to know if you wish to make a joint TG/ENR verbal presentation or if you wish each of your governments to have a separate time allocation. Each presentation will be subject to a question period.

Please advise our office in writing by December 21, 2009 of your choice. If we do not hear from you by then, each of you will be assigned a separate time period.

If you have any questions with respect to the above, please do not hesitate to call our office at 873-5740.

Sincerely,
