Re: Reconvening location for Bathurst Caribou Hearing, May 2010

Dear Mr. Pryznyk:

I would like the Wek'eezhii Renewable Resources Board to consider reconvening the adjourned Bathurst Caribou Hearing in Yellowknife. Considering the Board is aware that there are going to be additional costs to participate in the conclusion of this hearing, having it in Yellowknife would reduce a lot of time and expenses for the majority of the interveners.

Thank you in advance for considering my request.

Sincerely,

Robert (Bob) Turner
