Good Day Ed and Harry,

The Wek'èezhì Renewable Resources Board will be meeting to discuss this joint management proposal on Aug 16-18, 2026. They will be focused on determining which level to review the proposal and a schedule for moving forward.

Please note there will be ample opportunity for the Deline Renewable Resource Council to participate and provide comment on the Joint Management Proposal for Sahti (Bluenose-East) Ekwò Herd 2027-2030. Stay tuned to our public registry on our website as well as our social media and directed email distribution list for deadlines for intervenor registration and public submissions.

Please note that your letter and this email response will be posted to the WRRB's management proposal page.

Thank you,

JODY
